The boys in the front row, how do you do

Wearing nothing but a fantasy!

Movin' closing to out of this world.  
A  
Sparkles shining on her skin,  
C D  
Makes me forget the state I'm in!

Now one more time the lights are low.  
C G  
She's moving kind of sweet and slow.  
A  
Can this really be the girl next door,  
C D  
Hell, if I'm not calling for more!
