Intro: acoustic verse 1 ½

Pre Verse: Fmaj7/Fadd9

Coming down the old dirt road

G6 G/G6 G/G6

that winds along the lake,

Fmaj7/Fadd9

the snow is deep and blowing,

G6 G/G6 G/G6 G6/G6add9

and my heart about to break.

## Verse:

C/Cadd9/Cmaj/C

My old truck is struggling,

G6 G/G6 G/G6

as my cabin comes into sight.

Fmaj7/Fadd9

Drifts reach to the windows,

G6 G/G6 G/G6

and shadows bring the night.

C/Cadd9/Cmaj/C

Soon the fire will be burning,

G6 G/G6 G/G6

And wine will be in my glass.

Fmaj7/Fadd9

But it's been a long winter,

G6 G/G6 G/G6

Still got some time to last.

C/Cadd9/Cmaj/C C

Mountains send shadows

G6 G/G6 G/G6

Creeping to my door.

Fmaj7/Fadd9

But nothing can get in here,

C

G6 G/G6 G/G6 Just tear drops on the floor.

C/Cadd9/Cmaj/C C
I answer storms with silence
G6 G/G6 G/G6
And silent nights with a shouts
Fmaj7/Fadd9
And I call out to you then,
G6 G/G6 G/G6
The things you know about.

## Chorus:

The winter makes it easy Some say easy to forget. But more to remember, The last chance we get.

Yes, I came to remember, What still holds me so. Because to remember, Will someday let me go.

# (Repeat final ½ bar)

Because to remember, Will someday let me go!

# Pre-Verse:

### Verse:

C/Cadd9/Cmaj/C C
Memories I'm carrying,
 G6 G/G6 G/G6
Just one more time I see.

Happy trails and laughter.
 G6 G/G6 G/G6
Your love surrounding me.

C/Cadd9/Cmaj/C C
So tonight I can tell you,
G6 G/G6 G/G6
As snow is falling fast,
Fmaj7/Fadd9
And mountains stand darkly,
G6 G/G6 G/G6
This goodbye will be the last.

C/Cadd9/Cmaj/C C
For it's beautiful in winter
 G6 G/G6 G/G6
and I have this time to go.

And the snow fall will bury
 G6 G/G6 G/G6
The loss that holds me so.

C/Cadd9/Cmaj/C C
So,listen to the memories
G6 G/G6 G/G6
As they all get put away.
Fmaj7/Fadd9
Soon it will be springtime,
G6 G/G6 G/G6
And I'll be back on my way.

The winter makes it easy Some say easy to forget. But more to remember, The last chance we get.
