## **Verse 4/4 Time:**

D F#m/A  
Ah, don't you know -- I still love you so.  
G A  
Why was I so afraid?

D F#m/A  
Oh, can't you see -- what you are doing to me  
G A  
On the inside of a dream.

D F#m/A  
This town's too small for me -- I'm seeing you  
G A  
inside of me, walking with someone else.

## **Pre-Chorus:**

Bbmaj7 Fmaj7  
Saw you walkin' down my street,  
G Am A  
wasn't me you were seeing! Ahhhh

## **Chorus:**

D D4 D4/C D4/B  
Hey now, my beauty queen -- you're such a scene.  
D D4 D4/C D4/B

Hey now, streets so mean -- and broken dreams  
D D4 D4/C D4/B  
Hey now-owww!

**Verse:**

D F#m/A  
Streets scream out at me -- Ever since you stopped  
G A  
loving me; My idea, not the best.

D F#m/A  
Oh, you got a hold on me -- oh please set me free.  
G A  
Live your life somewhere else.

D F#m/A  
I'm not strong enough -- Can't leave you far  
G A  
enough, when we share the same city.

Bbmaj7 Fmaj7  
Saw you walkin' down my street,

wasn't me you were seeing! Ahhhh
