**CAPO 2:** *(optional)*

**Intro:** C Am - C Am

**Verse:**

C Am  
You're the only one that I love,  
C Am  
You're the only one I'm dreamin' of.  
Fmaj7 G  
But time, time goes on,  
Fmaj7 G G  
And I'm, I'm the one.

C Am  
Tomorrow I'll play, I'll sing my songs again;  
C Am  
Have a drink, celebrate with Friends.  
Fmaj7 G  
But I'll always know,  
Fmaj7 G  
That we loved it so.

**Verse 2:**

F C G  
One day we'll talk again as friends,  
F C G  
How are you, nice to see you again.  
Dm Em7 (*Em7=020030*)  
But I'll -- I'll always know,  
F G G7  
That we loved it so.

Verse 3:

C Am  
When we meet, I'll say you look great!

C Am  
I'll smile and say, wasn't it just fate?  
Fmaj7 G  
But I'll remember you,  
Fmaj7 G  
And the things that we went through.

C Am  
Was it me who hurt you so bad?  
C Am  
Forgiveness tried; Wish that we had.  
Fmaj7 G  
But the touch of your breast,  
Fmaj7 G  
And your breath on my chest.

**Verse 4:**

F C G  
How did it go, how'd it go so fast?  
F C G  
When it started, yeah it would last.  
Dm Em7  
But time fractured all,  
F G  
And now, now I recall.

**Verse 5:**

C Am  
The light you gave me, shining from your eyes.  
C Am  
Days and nights; Nights were the prize.  
Fmaj7 G  
Yeah, you were the one,  
Fmaj7 G  
That I'd been dreaming of.

**Verse 6:**

F C G  
When we dreamed, we dreamed love so true.

F C G  
 I can't forget, can't forget about you.  
 Dm Em7  
 And though time is draggin' on,  
 F G  
 My heart -- my heart is hangin' on.
